Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Discussed on the rejections of the claims in light of the above applied art. It was agreed that the Examiner's will withdraw the Finality of the previous Action, pending on a formal request for reconsideration by Applicant. A new office action would then follow with the rejection of the claims under 35 USC 103 rather than the previous 35 USC 102. The reason being that, while Prizm being a Plug-in program and thus could be considered as a single reference once incorporated into Netscape Communicator, Prizm could still be considered as a separate product from Netscape Communicator, and thus a rejection under 35 USC 103 would be inclined towards being more proper.
